

POLISH GENEALOGICAL SOCIETY OF AMERICA

Presents its
31st Annual Conference

“UNRAVELING THE MYSTERIES”

Friday, September 18th and
Saturday, September 19th, 2009

Topics Include

- Finding Naturalization Records & Ethnic Origins
- Hidden Sources for Finding Family Stories
- Online Databases of the Polish State Archives
- East European Internet Sites for the Family History Researcher
- Dealing With the Bad Guys in One's Family Tree
- Doing Family History Research in Cemeteries
- Traveling in Poland for the Beginner
- The Polish Partition and What It Meant to Our Ancestors
- The Mysteries of PERSI
- Regional Costumes

Speakers

- Kahlile Mehr, LDS Supervisor of Slavic & Eastern European Records
- Dr. Michael Mikos, head of Slavic languages at the University of Wisconsin
- Don Litzer, former librarian Genealogy Center Allen County Library Fort Wayne, IN
- Cynthia Piech, Polish Genealogical Society of America
- Craig Pfannkuche, President of Memory Trail Research, Inc.
- Julianna Szucs, Editor Ancestor Weekly Discovery
- Loretto Szucs, Vice President of Publishing at Ancestry.com

There will be so much more in this 1 ½ day event: a Media Room that offers materials of interest to genealogists and the Research Area which will provide personal and individual help.
